FABRICATION & IDLE HADITH WERE EVEN A PROBLEM AT THE TIME OF THE PROPHET

If we examine the Quran (As advised 4:82; 47:24), it becomes clear that fabrication of stories, events and narratives was a problem even at the time of the Prophet. It is no coincidence therefore that the Quran refers to itself as the 'Best Hadith' indicating a preference over all other thoughts and narratives that were in circulation.

There will always be people that will prefer idle / divertive tales (Lahwal HADITH) to the true realities of life. This has been powerfully addressed in the following verse and it is these people that are being rebuked in this verse. Life indeed has an important purpose and those that understand the issues that rest on them take life seriously. This is as true for industry, politics, world affairs as it is for divine guidance.

031:006
"But there are, among men, those who purchase idle (Arabic: Lahwal) tales (Arabic: Hadith), without knowledge, to mislead from the path of God and throw ridicule (on the path): for such there will be a humiliating penalty"
WHAT IS LAHWA? ROOT - L-H-W

In the above context therefore it is the divertive, frivolous, idle HADITH which is being referred to that leads MAN ASTRAY from the path of God without knowledge. These are fanciful discourses, narratives and literature which have no real substance and only serve to lead mankind far away from the path of truth and can only work counterproductive to true guidance.

The above verse is clear evidence that idle tales were even being disseminated and purchased at the Prophet’s time during his Prophethood. One obvious question then arises. If this was a problem extant at the Prophet’s time, then how much worse did the problem potentially manifest after his death?

If God’s truth in the form of His revelations are recited to such a one, they turn away in arrogance. This can be seen clearly in the very next verse.

031:007
“When Our verses (Arabic: Ayat(ina))’ are recited to such a one, he turns away in arrogance, as if he heard them not, as if there were deafness in both his ears: announce to him a grievous penalty”
045:006-7
“These are God's revelations that We recite to you with truth. So, in which statement (Arabic: HADITH) after God and His verses (Arabic: Ayatihi) do they believe? Woe to every sinful fabricator”

This can again be seen in 77:50

077:050
“In what statement (Arabic Word: HADITH), after this, will they believe?”

068:036  What is wrong with you, how do you judge?
068:037  Or do you have another book which you study?
068:038  In it, you can find what you wish?

068:044
“Then leave Me alone with such as reject this Message (Arabic Word: HADITH): by degrees shall We punish them from directions they perceive not”

DO NOT GUESS ON MATTERS WHICH ARE NOT CLEAR

There is great wisdom from the following verse which speaks about the sleepers in the cave

018.022
“(Some) say they were three, the dog being the fourth among them; (others) say they were five, the dog being the sixth;—doubtfully guessing at the unknown; (yet others) say they were seven, the dog being the eighth. Say thou: ‘My Lord knows best their number; It is but few that know their (real case).’ Enter not, therefore, into controversies concerning them, except on a matter that is clear, nor consult any of them about (the affair of) the Sleepers”

WHY DID GOD ALLOW SUCH FABRICATIONS TO TAKE PLACE? - COULD HE NOT HAVE STOPPED THEM?

FINAL THOUGHTS

The problem of fabrication and dissemination of frivolous Hadith was even extant at the time of the Prophet which begs the question, how enhanced the problem would have become after the Prophet had passed away?

The Quran refers to itself as the **BEST HADITH (HASAN HADITH)**.

| 039:023     | "God has revealed the best statement (Arabic word: HASAN HADITH) in the form of a Book, consistent with itself, (yet) repeating (its teaching in various aspects): the skins of those who fear their Lord tremble at it; then their skins and their hearts do soften to the celebration of God’s
praises. Such is the guidance of God: He guides with it whom He pleases, but such as God leaves to stray, can have none to guide”
